

Job Title: Inspection Engineer (NSL/LEEAA Certified) - Third Party Inspection Department-3 nos

Location: Oman

Job Type: Full-Time

Reports To: Third Party Inspection Manager

Job Summary:

We are seeking a highly skilled and certified **Inspection Engineer** to join our Third Party Inspection Department. The ideal candidate will possess NSL/LEEAA qualifications and have extensive experience in conducting inspections in accordance with international safety and lifting standards. The role involves performing thorough inspections of lifting equipment, machinery, and structures to ensure compliance with safety regulations. The candidate must hold a valid Oman driving license and be willing to travel to client sites.

Key Responsibilities:

- **Conduct Inspections:** Perform comprehensive inspections of lifting equipment (cranes, hoists, slings, and rigging equipment) in accordance with NSL/LEEAA guidelines, ensuring all equipment complies with local and international safety standards.
- **Third Party Inspection:** Provide independent third-party inspection services across various industries including oil & gas, construction, and manufacturing.
- **Certification and Reporting:** Prepare and issue inspection reports and certificates, clearly documenting any non-conformances, and recommending corrective actions.
- **Ensure Compliance:** Ensure all inspections are conducted in line with industry standards (e.g., LEEAA, NSL), and local regulations, contributing to the safety and operational efficiency of clients' operations.
- **Risk Assessment:** Assist clients in performing risk assessments of lifting operations and recommend safety improvements where needed.
- **Client Interaction:** Communicate effectively with clients, addressing their concerns, providing recommendations, and offering technical support as required.
- **Documentation and Record Keeping:** Maintain accurate records of all inspections, certifications, and recommendations for future reference.
- **Travel Requirements:** Regularly travel to client sites across Oman to conduct inspections, audits, and certification services as required.

Qualifications & Skills:

- **NSL/LEEAA Certification (Mandatory):** Must possess recognized qualifications from NSL or Lifting Equipment Engineers Association (LEEAA).
- **Oman Driving License (Mandatory):** Valid Oman driving license with a clean driving record.
- **Educational Background:** A bachelor's degree in Mechanical Engineering, Electrical Engineering, or a related field is preferred.

M/s SAG ALSAHRA TRADING AND CONTRACTING, Dar Al Atta Building, 4th Floor, Azaiba South, PO BOX No:757, PC:111, Muscat Sultanate of Oman
Tel: **+968 92947956**, Email: **inspection@sag-alsahra.com** Web: **www.sag-alsahra.com**

- **Experience:** Minimum 3-5 years of experience in lifting equipment inspection, safety audits, and third-party verification services.
- **Technical Knowledge:** Strong understanding of lifting equipment standards and best practices (e.g., LOLER, PUWER).
- **Communication Skills:** Excellent verbal and written communication skills, with the ability to produce clear and concise reports.
- **Attention to Detail:** Ability to spot potential safety risks and non-compliance issues during inspections.
- **Problem-Solving Skills:** Capable of making sound technical recommendations and troubleshooting when equipment does not meet compliance standards.
- **Team Player:** Ability to work both independently and within a team environment to meet deadlines and provide high-quality service to clients.

Preferred Skills (Not Mandatory):

- Knowledge of local Omani safety regulations and compliance standards.
- Experience in oil & gas, construction, or heavy industries in Oman or GCC countries.
- Familiarity with relevant inspection software and tools.

What We Offer:

- Competitive salary and benefits package.
- Opportunities for professional growth and training.
- Supportive and collaborative work environment.
- Company vehicle and travel allowance.
- Medical insurance and annual leave benefits.

How to Apply:

Interested candidates are encouraged to send their CV and a cover letter outlining their qualifications and experience to [hamdan@sag-alsahra.com , inspection@sag-alsahra.com]. Please include "Inspection Engineer - Third Party Inspection Department" in the subject line
